

ParticiPoll

To encourage more audience engagement in the Brustein & Manasevit, PLLC Fall Forum, some of the presentations will have polling questions embedded into the PowerPoint.

Participation is not required, but we are hoping it makes the conference more interactive and enjoyable. To participate in the polls, just access the website listed on the screen or scan the QR code using a mobile device or computer.

To be prepared for the polling, we have listed below the sessions that will be including ParticiPoll, along with the relevant website to access each poll.

All voting is anonymous and none of your personal data is visible to anyone including the speaker.
