

Virtual Spring Forum 2023
New Math: Making It All Add Up After ESSER, GEER, and HEERF
May 1-4, 2023

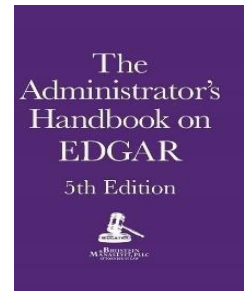

Greetings,

We are pleased that you can join us for our virtual Spring Forum 2023!

Our big news is that we have changed our firm's name to The Bruman Group, PLLC. But fear not, we are the same great firm you have come to know- just with a name that is easier to pronounce and spell 😊.

We created this forum agenda with the goal of bringing you the same high-quality programming and hope you find this forum as valuable as those in the past.

If you are attending a Pre-Session, you will receive one copy of our Administrator's Handbook on EDGAR (5th Edition). If you are interested in purchasing additional copies, you can order through our website at: <https://www.bruman.com/publications/>.

We have included in some important information on how to navigate our virtual training platform, Big Marker. If you have any questions or concerns about forum, please do not hesitate to contact us at forum@bruman.com.

We hope you enjoy the Forum!

~ The Bruman Group
